

ST JOSEPH'S SCHOOL DANNEVIRKE

2017 TERM 4 WEEK 1

PRINCIPAL'S NOTE

Tena koutou katoa. A kia noho te Ariki ki a koutou.
A very warm welcome to Term 4.

I am delighted to be returning to St Joseph's as Acting Principal for this term. As some of you will know, our family lived in Dannevirke from 1990—2002 and our three children attended St Joseph's where I taught in Room 6 for many years. This school and community is very dear to my heart and I look forward to meeting or reconnecting with you over the next 9 weeks.

I have already met your delightful children and I am excited about the learning we will all be embarking on this term.

God Bless, *Zita Smith* Acting Principal

WEEKEND GOSPEL

This weekend's Gospel reminds us of the importance of keeping things in their proper perspective. Jesus challenges us to think about whether we attach ourselves to worldly things at the expense of the deep relationships we can have with one another and to God.

SUMMER HATS

Being Term 4, remember that hats are compulsory for all students. The school uniform hat looks like this. If students are not wearing their hat they will play in the shade.

THE WAREHOUSE currently stocks this hat at a cost of \$18.

ST JOSEPH'S SCHOOL DANNEVIRKE

2017 TERM 4 WEEK 1

MISSION MONEY BOXES

Each year St Joseph's helps fundraise for the Holy Childhood Association which supports the health and faith formation of disadvantaged children. This week each family has been sent home a Mission Money Box. As a family you can decide how you will fill your money box. One way would be for your children to earn some money by doing tasks of service at home or in the community. Then they themselves become the face of Jesus to those they serve. Every little helps!

Mission Day Mini Gala and Fun Activities Friday afternoon November 10th

Start gathering together those items for the trash and treasure and planning for the baking!
